Using and sharing your information

The data controller is Natural England, Northminster House, Peterborough, PE1 1UA.

Your information will be stored and processed in accordance with the Data Protection Act 1998. This Act gives you, as an individual, the right to know what data we hold on you, how we use it, with whom we share it and for it to be accurate.

It will be used for administering and analysing applications/agreements under agri-environmental schemes.
